### Notes to the short-form expenditure summary for the 2022-23 financial year

Please note that due to the way the expenditure categories are defined in superannuation regulations, some expenditure items are counted in more than one category.

- **Aggregate remuneration expenditure:** this includes the remuneration for Catholic Super's Chief Executive Officer and all group Executive Officers as well as fees paid to Directors. Further information about this remuneration is available on our website.
- **Aggregate promotion, marketing or sponsorship expenditure:** this includes promotional and educational materials, media, advertising, and partnership arrangements.
- **Aggregate political donations:** Catholic Super does not make political donations.
- **Aggregate industrial body payments:** these include payments to organisations registered under the Fair Work (Registered Organisations) Act 2009. These are payments for marketing, membership and staff training.
- **Aggregate related party payments:** these occur when payments are made to Catholic Super-related entities for business operations, or when a Director of Catholic Super is a director or former partner of an organisation which provides services to Catholic Super. Payments include Trustee services, investment management services, financial planning services, and group Executive Officers and Directors' remuneration (including \$5.2 million also disclosed in "Aggregate remuneration expenditure").
